NASA 1999 Performance Plan is Available on the Internet

NASA's Performance Plan for 1999 is available electronically on the NASA Homepage or Inside Marshall. This plan includes the goals of the Agency's four strategic enterprises — human exploration and development of space, space science, Earth science and aeronautics and space transportation technology. More information about the plan may be found at the following Web site:

<http://www.hq.nasa.gov/office/codez/pplan99/home.htm>

Dial 911 to Report Medical, Security, Chemical Spill or Fire Emergencies at Marshall
